PROPERTY ADDRESS

ATTENTION ALL RESIDENTS AND BUSINESS OWNERS
There are a number of homes and businesses that do not have the address number displayed on the property. All numbers are required to be displayed plainly and visibly from the roadway in front of the property. This is a safety concern for emergency services being able to find your property as quickly as possible in the event of an emergency.

Thank you for your cooperation in this matter.
Village of Cremona

A partnership between Cremona Congregational Church and Cremona FCSS

Keeping sidewalks shoveled, ice free, and safe can be very challenging for many people with disabilities, illnesses, and age-related mobility issues.

To register for this program
Please call Cremona FCSS (403)510-4521, and answer a few questions regarding your needs

We will supply a yard sign which will indicate your need for an angel.

As available a volunteer for the Congregational Church will do their best to help you

out, We also encourage everyone from the community to recognize these signs and if you're able to help out a neighbor!
