The MAP Committee discussed unfinished business from the September 5 MAP meeting as follows:

#### 5.1 Provincial Grants and creating a MAP process for grants.

The regional CAO's continue to work on this item; CAO's were tasked to prepare a list through collaboration throughout the entire region on applicable grants for funding that will speak to timing of grant and level of decision required for grant and bring back to MAP. Will be brought back to a future MAP meeting.

# 5.2 MAP Joint Dinner Meeting for all Council members of each municipality Discussion held on how evening went; those in attendance said they like the networking opportunity; and most would prefer the old presentation style with community updates to return for next year.

5.4 Mountain View County Economic Development Strategy Reeve Beattie advised this is a work in progress. (On going)

#### 5.5 CARES Grant Application – Regional Video Program

CAO Martens advised that the application was sent in over 90 days ago, and no word has been received on status of Grant. CAO Merritt has confirmed with a Deputy Ministers office, that next round of announcements for CARES won't come until after the October election.

#### 5.6 Summer Games Legacy

Sundre has named employee, Mr. Ian James as the Sundre representative.

CAO Merritt advised had been waiting for full membership representation, and now that Sundre has named the representative, the committee is set to begin work.

#### 5.7 Regional Election Official Orientation

Will be held on Wednesday, October 18, 2017 at the Olds Legion. Same format as in the past. Mr. Russell Farmer has been confirmed as the Municipal Consultant to speak to the Governance portion and Mrs. Sheila McNaughton for the Legal portion of the orientation.

Discussion ensued on if all municipalities support regional training, and if considering making it mandatory for elected officials to attend. Reeve Beattie and Mayor Dahl encouraged all to attend training. CAO Martens was requested to have Mr. Jeff Holmes confirm who's confirmed to attend.

#### 6.0 NEW BUSINESS

#### 6.1 2020 Summer Games; AB Culture and Tourism

Councillor Aalbers asked about comparisons of Seniors Games versus Summer Games; what are the equipment requirements for both, are there any share facilities that they both require?

Councillor Sayers pointed out that there was an August 31, 2017 deadline for letter of interest to be submitted to the Alberta Government, that we missed if interested.

Councillor Aalbers still encourages the regional CAO's to have the comparisons done. Support is for them to do quick comparisons on facilities needed, hotels, restaurants, etc.

CONSENSUS

#### 6.2 Smart Cities Challenge

Definition:

A smart city uses technology and data to improve livability and opportunities for the city and its people. Smart cities have the potential to improve every aspect of community life - how people

move around, how they live and play, how they earn a living, how they learn and are empowered to participate in society, how they interact with the natural environment, and how they create safe and secure public spaces.

In the lead-up to the launch of Smart Cities Challenge, people across the country are invited to take part in a conversation. What is the top priority for improving your city, town or community? How can smart technology and practices create real impact? The Smart Cities Challenge will allow municipalities, regional governments, and Indigenous communities to bring these ideas forward, and the best ones will win!

Through the Smart Cities Challenge, the Government of Canada will work in collaboration with cities and communities that are ready to innovate and take risks - providing financial and in-kind support for their smart cities transformation. The Smart Cities Challenge will achieve measurable, positive impact in communities. It is a merit-based, pan-Canadian challenge, inviting cities of all sizes, as well as Indigenous communities, to participate.

Three rounds are planned, with the first set to launch in fall 2017. Details on this round and the timing of subsequent rounds will follow in the coming months.

This challenge was announced this year at the Federation of Canadian Municipalities (FCM) Convention. Discussion ensued and questions arose on if this could be combine this grant with events like 2019 Seniors Master Games and 2020 Summer Games?

Reeve Beattie asked if infrastructure was Canadian or Federation of Canadian Municipalities (FCM). Unknown at this time.

CAO Merritt spoke about the Town of Olds encouraging Olds Institute and O-NET to work on applying for this grant. This is something the region could benefit from, if interested need to action now.

Regional CAO's tasked with preparing a letter to be signed by all six (6) municipalities; to show a stronger unified front.

#### 6.3 Inter-Governmental Communication (IGC)

Inter-Governmental Communications (IGC) were set up in 2013 by Mountain View County to improve relations and communications with Government Ministers. The intent was to identify to a Minister; concerns from the County that may include an ask along with a solution. This communication piece helps provide a clear agenda for a meeting or ask. The County attempts to keep each of the communications to one page or less. County advised they see standard responses such as the "thank you for the letter" and other requests they are quickly responded to. It helps both parties prepare for the meeting as the ask is known.

Mayor Dahl complemented the County on the document, she really likes the format as it is clear what the ask is along with a solution. Mayor thanked the County for sharing this information and intends to share with Town of Olds Council.

Councillor Aalbers spoke to the time this process takes, but encourages to follow through with it.

#### 6.4 Terms of Reference

Current Recording Clerk, Marcie McKinnon was seeking clarity in the Terms of Reference and provided suggestions for obtaining that clarity under the following sections:

Under heading "4. Meetings" clerk was seeking clarity on:

#### Point a)

Do MAP meetings have to be held at the County, or may they be at the Chairs municipality? Committee confirmed meeting may be held wherever determined by a motion of the MAP committee.

#### Point b)

Proposed recommendation is to amend the current terms to state that the "managing partner" hosts the Annual Joint Dinner of all Member Municipalities Council.

Committee agrees the managing partner could host the meeting as it is central location for all Member Municipalities and they hold the funds for the MAP committee.

Under heading "8. Recording Secretary"

Add a "Point b)" which speaks to who the current "recording secretary's" back up is. The MAP Committee confirmed it would be the Chair community's staff and if not from Chair community then would go through rotation list as noted in Point 7 of the MAP Terms of Reference.

Proposed to add a new section – and put under heading "9. Record Management"

This section should speak to where original records shall be kept and how to provide them to the managing partner.

Also, Clerk was seeking clarity on if MAP meetings are public meetings, like regular Council meetings?

Committee advised that yes MAP meetings are public meetings.

With MAP committee confirming MAP meetings are public, Clerk further queried how do then share with our citizens the agendas and minutes like our regular council pieces? Suggestion was to have all member municipalities add to their websites?

#### 6.5 (Added item) Federation of Canadian Municipalities (FCM)

Councillor Aalbers spoke to the big push from FCM on Asset Management. Encourages all municipalities to start to take seriously. (Please see Councillor Aalbers summary report from 2017 FCM convention in Ottawa, attached to the minutes for your reference.)

CAO Martens advised that conversations have started with municipalities as we will all have to do it, and if we can get/apply for grants to fund them, that would be good.

Discussion ensued on the value of memberships in organizations like FCM, AAMD&C, and AUMA. We spend money to go to these events along with membership fees, and what do we get from them? Reeve Beattie encouraged all elected officials to utilize FCM more.

TITLE: Bylaw – 481-18 Intermunicipal Subdivision & Development Appeal Board

**ORIGINATED BY: L. Smith, Chief Administrative Officer** 

#### **BACKGROUND / PROPOSAL:**

Section 627 of the *Municipal Government Act* authorizes municipalities to enter into an agreement to establish an Intermunicipal Subdivision and Development Appeal Board (ISDAB)

#### **DISCUSSION / OPTIONS / BENEFITS / DISADVANTAGES:**

The CAOs of the Town of Carstairs, Didsbury and Cremona discussed the opportunity of establishing a joint SDAB for the hearing of appeals from decisions made by the development authority and subdivision authority pertaining to applications relating to lands located within each Municipality.

It is difficult to find members to sit on such board; and there are going to be changes to these type of quasi-judicial boards by the province, much like they did with Assessment Appeal Boards.

The attached Bylaw is for the establishment of an ISDAB between the three municipalities. Cremona has a similar bylaw with Mountain View County relating to appeals in the fringe area of the Intermunicipal Development Plan.

Also attached is the Agreement that speaks to the guidelines and responsibilities of the Board.

#### **COSTS / SOURCE OF FUNDING (if applicable):**

There may be training costs and advertising costs.

#### **RECOMMENDED ACTION:**

That Council grant first reading to Bylaw 481-18 Intermunicipal Subdivision and Development Appeal Board with the Town of Carstairs, Didsbury and Cremona on the 20<sup>th</sup> day of March, 2018.

That Council grant second reading to Bylaw 481-18 Intermunicipal Subdivision and Development Appeal Board with the Town of Carstairs, Didsbury and Cremona on the 20<sup>th</sup> day of March, 2018.

AGENDA NO.:10 b)

TITLE: Reports – Chief Administrative Officer Report

**ORIGINATED BY: L. Smith, Chief Administrative Officer** 

#### **BACKGROUND / PROPOSAL:**

Once a month the CAO will provide an update on the happenings of the Village that is of particular importance. Highlighted notes from each department are listed below in point form.

#### **PUBLIC WORKS UPDATE**

- Weekly water testing and taking samples into Didsbury Hospital for testing.
- Lots of snow clearing, sanding.
- Capital Pressure was in March 7 & 8 to steam out the storm drains to be help with the melting snow.
- Volker Stevin moved snow on Railway Avenue and did sanding for on some of our more problem roads.

#### **MEETING WITH LIBRARY**

On the morning of Feb. 27<sup>th</sup> I met with Lyle Stevenson of Stevenson Homes and the Library Board Chair Melissa Savage and Josephine Sayles, Tracey Westersen and Sandra Herbert about changes to the new building. The glass doors between the library and the village office will be closed off and the washroom will be installed where the desks currently sits. The entrance to the library will be through the new addition and the current door will be closed off as well. These additional costs are just under \$10,000; however the Library does have the funds to make these changes.

#### **AUMA SMALL COMMUNITIES COMMITTEE**

I was in Edmonton on Feb. 28<sup>th</sup> to attend the AUMA Small Communities Committee. It was a great meeting and I was pleased that those around the table were all from small communities under 2500 and most were Villages. This committee is focusing on the Rural Health Physician Retention Program, Nurse Practitioner support, Rural Broadband to small communities and policing.

#### **INSTALLATION OF WASHROOM IN FCSS**

The contractor started on Friday, Feb. 23 for the bathroom installation at the FCSS/Council Chambers. The work has progressed very well.

#### FORTIS COMMUNITY ENHANCEMENT GRANT

I applied for the above grant in the amount of \$2500 to purchase bear proof garbage bins.

#### **SPRING 2018 MUNICIPAL LEADERS CAUCUS**

I will be attending the Spring Municipal Leaders Caucus on March 14 & 15 and I will bring a report back to Council. Tim has decided to attend the June Mayor's Caucus instead. The March meeting is where Ministers will be in attendance and there is the opportunity to ask questions.

#### **ICC MEETING**

On March 1<sup>st</sup>, Tim, Sonia and I met with the County ICC members (Angela Albers, Greg Harris, Christofer Atchison and Jeff Holmes). The next steps are to work on the Intermunicipal Development Plan (IDP). A meeting with the County and Village Planners going over the IDP will be on April 13 in Cremona.

#### **REGIONAL CAO MEETING**

The CAOs met on the morning of March 5<sup>th</sup>. Updates were given on where the County is with the ICF/IDP process. A discussion on the AFRACS radios took place. Cremona is the only one currently using the radios. The other fire departments have put the purchase of some radios in their 2018 budgets. The cost for the radios goes from \$3000 up to \$10,000.

#### **MEETING WITH DWIGHT NAGEL**

Dwight Nagel cancelled his presentation on Regional Library Board on March 7<sup>th</sup>. After I posted this to other boards and Councils I received two emails saying it wasn't worth having so I don't see the point in having this presentation.

#### CREMONA PROMOTIONAL BROCHURE FOR DEVELOPERS

I have created the above noted information brochure that Realtor Mike Brody will be have available at a trade show or home show in April. The brochure will also be posted on our website. Once the Intel website it done I will have it or the information from the brochure posted on this website also. The brochure focuses on the two parcels for residential and the Village's lots along Railway Avenue.

#### **LEADERSHIP CAUCUS**

I attended the Municipal Leadership Caucus in Edmonton March 13 & 14. A full report will be provided in the weekly memo.

#### STRATEGIC PLANNING

Council and Staff had a Strategic Planning session on March 17<sup>th</sup>. This plan will be the focus and priorities for Cremona in the next four years. Once the plan is completed it will be available on the Village's website or to pick up a copy at the office.

#### FCSS COORDINATOR'S REPORT

For the month of February I have been completing the funding agreements for the agencies we approved. I have applied for a few grants, the transportation grant, the rural communities grant as well as the AG grant. I also have a start on our Rec board grant.

On the 10<sup>th</sup> we hosted a First Aid course. We had 12 attend, which I think shows the need for the course. It cost us very little to run and the instructor was FANTASTIC!

I attended a director's interagency meeting in Olds to talk about funding and what other FCSS's in our area are planning.

The Family outing has been planned, it will be the 16<sup>th</sup> of April, and we will be going to an escape room and Telus Spark for the day.

The March/April edition of our newsletter was completed and mailed out.

There was a definite increase in "walk in's" in February, most tax related and some seniors help.

#### **RECOMMENDED ACTION:**

That Council accept the CAO report for March 20, 2018 as information only.

Provide the actual open hours for the library for each day of the week at the time of completing this report using the following format: 10:00-5:00; 1:30-8:30; etc. DO NOT JUST ENTER THE TOTAL NUMBER OF HOURS OPEN EACH DAY. Only enter summer hours if they differ from regular hours.

Also, enter the total number of hours open per week based on the indicated library open hours.

This information will be used for the provincial directory.

#### Personnel

Paid and unpaid staff that worked in the library during the reporting period.

Report qualifications and the number of all paid staff (full and part time) who work for the library whether they are paid directly by the board or paid through the municipality. Report total number of employees (i.e., "live bodies") and the total hours worked in the reporting year (you may need to get this figure from the individual or agency that does your staff payroll).

Note: Do not include individuals who provide service through a contract, such as the library audit, custodial staff or bookkeeping.

Do not include volunteer hours contributed by board members on library business (e.g. board meetings, committee meetings, etc.). Record those hours in the Alberta Public Library Survey section: Library Management - General > Board volunteer hours.

Friends of the Library groups are separate fundraising socities and are therefore counted separately from volunteers.

#### Programs

A library program is a pre-planned, coordinated event that: meets a service response as indicated in the board's Plan of Service; is hosted/presented by the public library; is set for a designated time and place; has a defined purpose; has library resources (staff time, money, etc.) dedicated to it - i.e. is budgeted for; and may involve a registration process and/or some promotion of the event.

Note: To public libraries housed in schools - DO NOT count weekly class visits to the library, unless each class would have come to the public library every week even if it was housed in another building elsewhere in town. Weekly class visits are a program of the school.

Cardholders, Fees, Facilities

#### Total cardholders

Report the number of active cardholders as of December 31 (active cardholders are those whose cards have not expired). This includes both resident and non-resident library cards of all types (including family cards) issued by your library.

Note: If your library offers family cards and provides only one card/one patron account per family (which is shared among all family members), multiply the number of family cards by 3.1. If all members of a family receive their own card and have their own patron record, do not multiply by 3.1.

#### Card fees

Indicate YES or NO if card fees are charged for the following specific patron types: adult, juvenile, senior and family. If card fees are charged for a patron type that is not listed, indicate so in "Other".

Please use the "Add Note" feature if an explanation is necessary. DO NOT leave these fields blank - answer either YES or NO for each.

If you indicated YES for any of the listed patron types, please report the annual card fee charged as set out in the library board's bylaw. If you do not charge card fees, or do not charge a card fee in a certain category, please leave the amount as \$0.00.
