ASIST

Applied Suicide Intervention Skills Training

**Suicide first-aid. A two-day,
skills- based workshop for
intervening with a person at
risk of suicide.**

Learning objectives:

- Recognize that caregivers and persons at risk are affected by personal and societal attitudes about suicide
- Discuss suicide with a person at risk in a direct manner
- Identify risk alerts and develop a safe plan related to them
- Demonstrate the skills required to intervene with a person at risk of suicide

Ages 18+. Participants can include but not limited to: parents and caregivers; natural helpers and advisors; educators and ministers; health practitioners; justice, law enforcers, emergency workers, and community volunteers. Not recommended for people who have had a recent suicide loss.

The **2025 Cremona and District Community Chest campaign** was very well received. We were able to send \$1150.00 to each of the 20 charities we support as well as retaining funds to respond to any local emergency .

Our deepest appreciation to all who donated to this achievement.

Sincerely,
Dave Street, Betty Ann Horbay, Elizabeth Newsome, Dale Hallett ,Ken Newsome, Grant Bird

Cremona Events/Services

Hope 4 MVC Kids Society is a non-profit, registered charity founded in November 2013. Entirely volunteer-run, the society supports families across Mountain View County who have children facing medical challenges. We provide assistance through the programs, outlined below:

Program 1: offers assistance to local children who are hospitalized. This includes support for parking, meals, fuel, and sibling care. For long-term hospital stays, additional help may be available, including rent, mortgage, and utility assistance.

Program 2: provides support for local children needing adaptive equipment for home or school, which is not covered by other funding sources.

Program 3: assists children who require home modifications due to illness or disability, also not covered by other resources.

Program 4: helps local children needing therapeutic services, such as counseling, occupational therapy, physical therapy, mental health support, or alternative therapies that are not covered by health insurance.

Program 5: extends assistance for prescription medications that aren't covered by health insurance.

Program 6: offers support, advocacy, and information to families navigating a child's illness or diagnosis. With the personal experiences of our board members, we understand the challenges faced and can guide families to additional resources and support.

PICKLEBALL
