ATTENTION HOMEOWNERS/ RENTERS

All property owners in the Village of Cremona are responsible to maintain their yards. This includes lawn maintenance and weed control.

It has been noticed that there are some properties that require clean up so they are in compliance with Bylaw 476-17 which includes weeds and high grass which is classified as unsightly under the bylaw. In addition, other items addressed in the bylaw include derelict vehicles/car parts and excessive accumulation of building materials.

Please ensure that you are taking pride in your property as it reflects on the look of our community. If properties are not maintained, then orders may be issued directing you to clean up the area.

If you would like a copy of the bylaw it can be found on the Village website at:
