

UNIVERSITY OF ALBERTA

The University of Alberta conducting a general public survey of citizens of Alberta to gather insight into how the general populace perceives and interprets different lights on winter maintenance vehicles. Anyone who travels or drives on Alberta roads during the winter is able to participate. The survey is now open for all to take part in until the end of May. The link to the survey is:

https://ualberta.ca1.qualtrics.com/jfe/form/SV_55yFz5gydotCdW6

Through your assistance, you will play a key role in helping maintenance operators and communities make winter maintenance operations safer on Alberta roads.

If you have any questions, please feel free to Contact Mr. Wong through the information listed below.
